Town of Darien becomes a Substation for the Walworth Sheriff Department

The Walworth County Sheriff's Office patrol division deputies will begin to work fulltime out of four town halls beginning on Sunday October 16th, 2016. Darien Town hall is one of them. The others include Lyons, Troy, and Whitewater Townships. Currently the Sheriff's deputies use the Darien Town hall part time as one of their substations. Two deputies per shift will be assigned to each of the four town halls. As always the Sheriff's Office is available 24 hours per day, 7 days per week. The purpose of this decentralization is to provide community oriented police services as well as a quicker response time between shifts. The majority of the deputies will continue to work out of the Sheriff's Office in Elkhorn. Now that Darien will have dedicated deputies patrolling the area full time on each shift, we hope you will get to know them and feel comfortable working together with them to make our community safer. The number for non-emergencies is 262-741-4400. Emergencies dial 911.
